9 am - 5:30 pm

Wild Heart Farm, Rimrock, Arizona (<https://wildheartfarmaz.com/>)

Seed School at Wild Heart Farm is a condensed version of the celebrated Seed School and Grain School programs taught over the past 12 years to thousands of gardeners, market farmers, educators, librarians and preppers from around the world. Perfect for anyone wanting to deepen their understanding of a truly sustainable local food system. Practical, hands-on activities are balanced with engaging lectures to provide a fun and interactive learning experience. Meet and learn with local seed savers.

**“It was fantastic.
I can’t believe how
much you covered.”**
